# HOW IT WORKS

---

As a Reciprocal Club, your members receive access to play at all Network Clubs and resorts for significantly reduced green fee (50%).

In return, your club will accept controlled inbound reciprocal play on the same basis from members of other participating clubs.

Rules and restrictions are in place to protect club traditions, tee sheets, and exclusivity.

# POLICIES

## Territory

Your membership is protected by what we call the "150km rule".

Members of participating clubs can only use their Links2Golf privileges at Affiliate or Reciprocal Clubs that are outside 150 kilometers from their home club or any primary or secondary residence.

## Groups

To protect the traditions and customs of your club, bookings are subject to a maximum of 2 inbound foursomes, including both members and their guests.

Groups of 9 or more inbound players will be at your club's discretion to accept, subject to a pre-negotiated green fee that's applicable to all players, and must be arranged at least 60 days in advance.

# WEBSITES

Participating clubs are featured on the club directory of each site and are linked to a custom web-page created by our in-house designers and copywriters, allowing you to show off your club's photos, course descriptions, links, and videos.
